FEROTEHNA

2025

O NAMA / ABOUT US

Rasvjeta nije samo dio prostora – ona oblikuje atmosferu, budi emocije i utječe na naše raspoloženje. S više od 30 godina iskustva u svijetu rasvjete, Atelier Ferotehna nastao je iz razumijevanja kako svjetlost djeluje na čovjeka. Precizna izrada i pažljiv odabir materijala svako rasvjetno tijelo čini nečim više od izvora svjetlosti – doprinosi karakteru i dubini interijera.

Atelier Ferotehna stvara svjetlosne trenutke koji ostaju u sjećanju.

Lighting is more than just part of a space – it creates the atmosphere, evokes emotions, and influences how we feel. With over 30 years of experience, Atelier Ferotehna was founded on a deep understanding of how light interacts with people. Carefully crafted with precision and high-quality materials, each piece is more than just a light source – it adds depth and character to an interior.

Atelier Ferotehna brings light to moments that leave a lasting impression.

LUMINIS

Luminis rasvjeta utjelovljuje suptilnu igru svjetla i sjene, spajajući eleganciju s arhitektonskom preciznošću. Dostupne u crnoj ili zlatnoj varijanti, ove viseće svjetiljke lebde u prostoru poput svjetlosnih skulptura, unoseći toplinu i vizualnu harmoniju u svaki interijer. S opcijama jednog, tri ili pet sjenila, svaka kompozicija otvara novi način oblikovanja atmosfere – od diskretnog akcenta do impresivnog središnjeg elementa.

The Luminis collection plays with light and shadow, balancing elegance with architectural clarity. Available in black or gold, these pendant lights seem to hover effortlessly, adding warmth and depth to any space. With options featuring one, three, or five shades, each arrangement offers a distinct way to shape the ambiance—whether as a subtle highlight or a striking focal point.

ECLAT

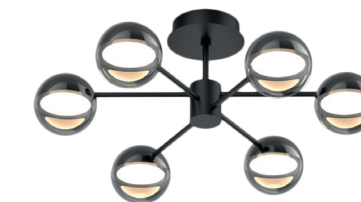

Eclat stropna rasvjeta donosi uravnotežen spoj geometrije i svjetlosti. Sa šest ili osam sjenila pažljivo raspoređenih u prostoru, stvara izražajan vizualni ritam koji prostor ispunjava dubinom i karakterom. Njegova struktura istovremeno odiše preciznošću i lakoćom, pružajući ugodan svjetlosni efekt koji se prilagođava ambijentu.

Eclat ceiling lighting merges geometry and illumination in perfect balance. With six or eight carefully positioned shades, it establishes a striking visual rhythm, adding depth and character to the space. Its structure conveys both precision and lightness, casting a glow that seamlessly adapts to its surroundings.

LUXEON

Luxeon visilice donose ravnotežu između forme i svjetlosti. Staklena sjenila, dostupna u varijantama s jednim, tri ili pet elemenata, lebde u prostoru i stvaraju difuzan sjaj. Njihova prisutnost obogaćuje interijer suptilnim detaljem koji privlači pogled i naglašava estetiku prostora.

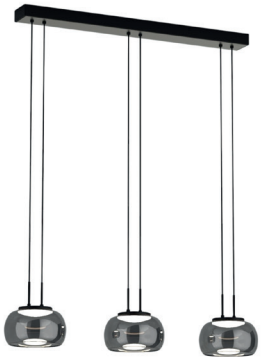

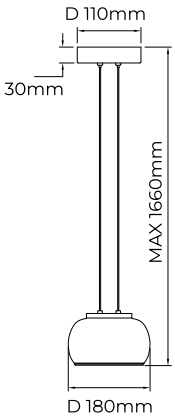

Luxeon LED pendants strike a perfect balance between form and illumination. With one, three, or five glass shades, they appear to float effortlessly, casting a diffused glow. Their presence enhances the interior with a subtle yet captivating detail that draws the eye and accentuates the aesthetics of the space.

SOLARA

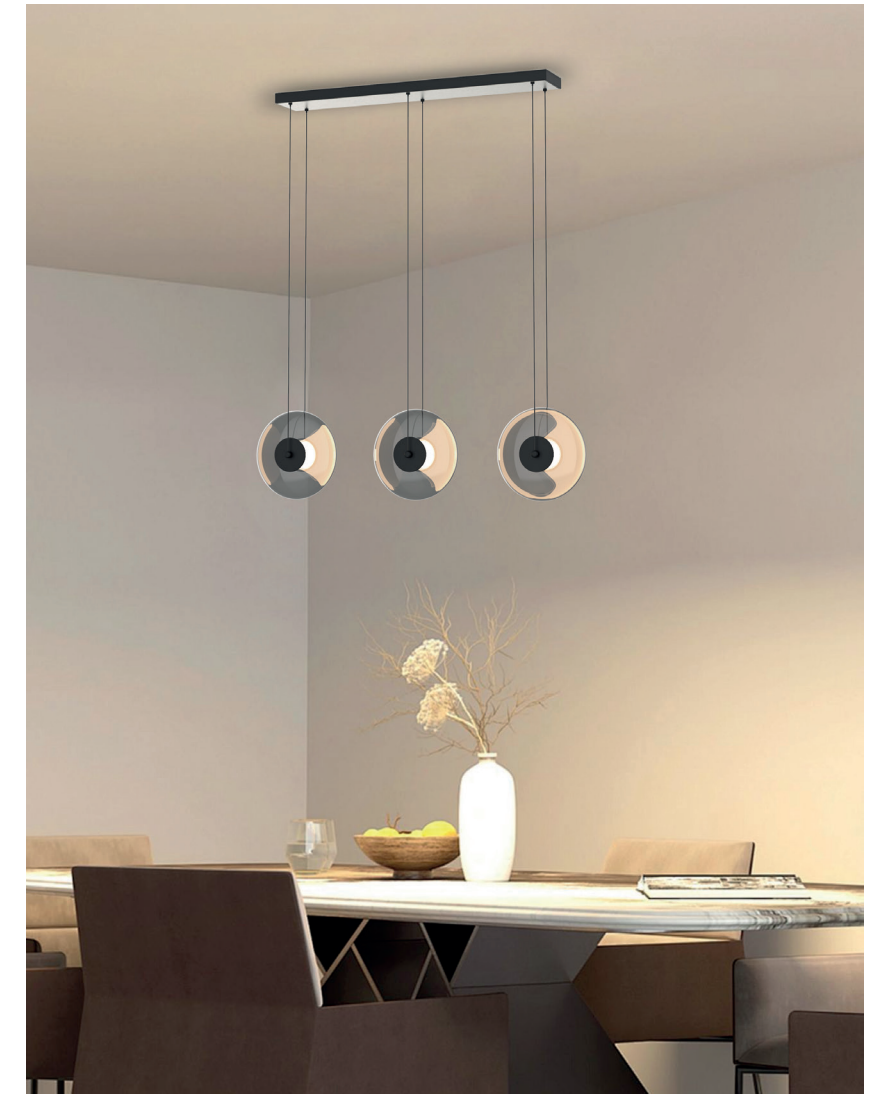

Solara donosi sklad između upečatljivog dizajna i suptilnog osvjetljenja. Sjenila nježno emitiraju mekan sjaj koji stvara opuštajuću atmosferu. Dostupna u varijantama s jednim, tri ili pet sjenila, ova visilica prilagođava se različitim ambijentima – od intimnih prostora do prostranih interijera kojima dodaje dozu suvremenog karaktera. Mat crna završna obrada dodatno ističe njezinu prisutnost, čineći je prirodnim fokusom svakog prostora.

Solara strikes a balance between bold design and understated illumination. The shades appear to hover effortlessly, casting a soft glow that enriches the ambiance. Available in configurations of one, three, or five shades, this pendant adapts to different settings—from intimate corners to spacious interiors where it becomes a defining element. The matte black finish further enhances its presence, making it a natural focal point in any space.

LUMORA

Lumora unosi snažan vizualni dojam u prostor svojom impresivnom visinom od 228 cm. Ova podna lampa ne prolazi nezapaženo – njezina vitka silueta u crnoj izvedbi ističe se jednostavnim, ali upečatljivim dizajnom, dok snažan izvor svjetlosti učinkovito ispunjava prostor. Bilo da se koristi kao glavni izvor rasvjete ili za stvaranje ugodne atmosfere, Lumora unosi jedinstveni izraz u svaki interijer.

Lumora makes a bold statement with its impressive height of 228 cm. This floor lamp stands out with its sleek black silhouette and striking design, while its powerful illumination effortlessly fills the space. Whether serving as the primary light source or creating a welcoming atmosphere, Lumora adds a distinctive presence to any interior.

OPALUX

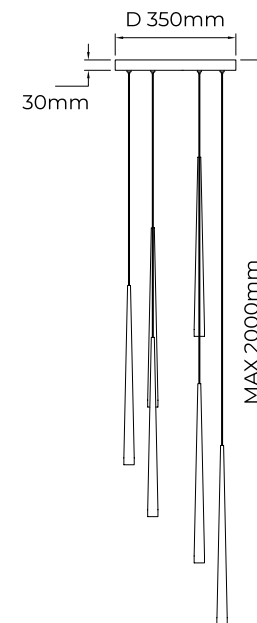

Opalux nosi dozu mističnosti, s nizom sjenila koja podsjećaju na prirodne forme oblikovane vremenom. Ova crna visilica ističe se u prostoru poput svjetlosnih stalaktita stvarajući suptilan ritam svjetlosti i sjene. Njezin izduženi raspored donosi dinamičnost interijeru, bilo da osvjetljava blagovaonicu, dnevni boravak ili prostrani hodnik.

Opalux has an almost ethereal presence, with six shades reminiscent of organic forms shaped over time. Suspended like glowing stalactites, this black pendant light adds depth and movement to the space. Its elongated composition makes it a striking addition to dining areas, living rooms, or spacious hallways.

VERIS

Veris donosi raskoš svjetlosti kroz skladno raspoređena okrugla sjenila. U varijantama sa sedam ili dvanaest elemenata, ova visilica ispunjava prostor dojmljivom prisutnošću, istovremeno zadržavajući osjećaj lakoće. Svjetlost se širi u mekim slojevima, naglašavajući ambijent i stvarajući ugodnu atmosferu u svakom interijeru.

Veris elevates lighting to an art form with its gracefully arranged round shades. Available in configurations of seven or twelve elements, this pendant light makes a striking impression while maintaining an effortless sense of balance. The light diffuses in soft layers, enhancing the ambiance and bringing warmth to any interior.

ASTARA

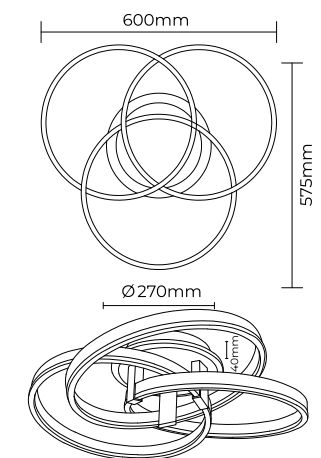

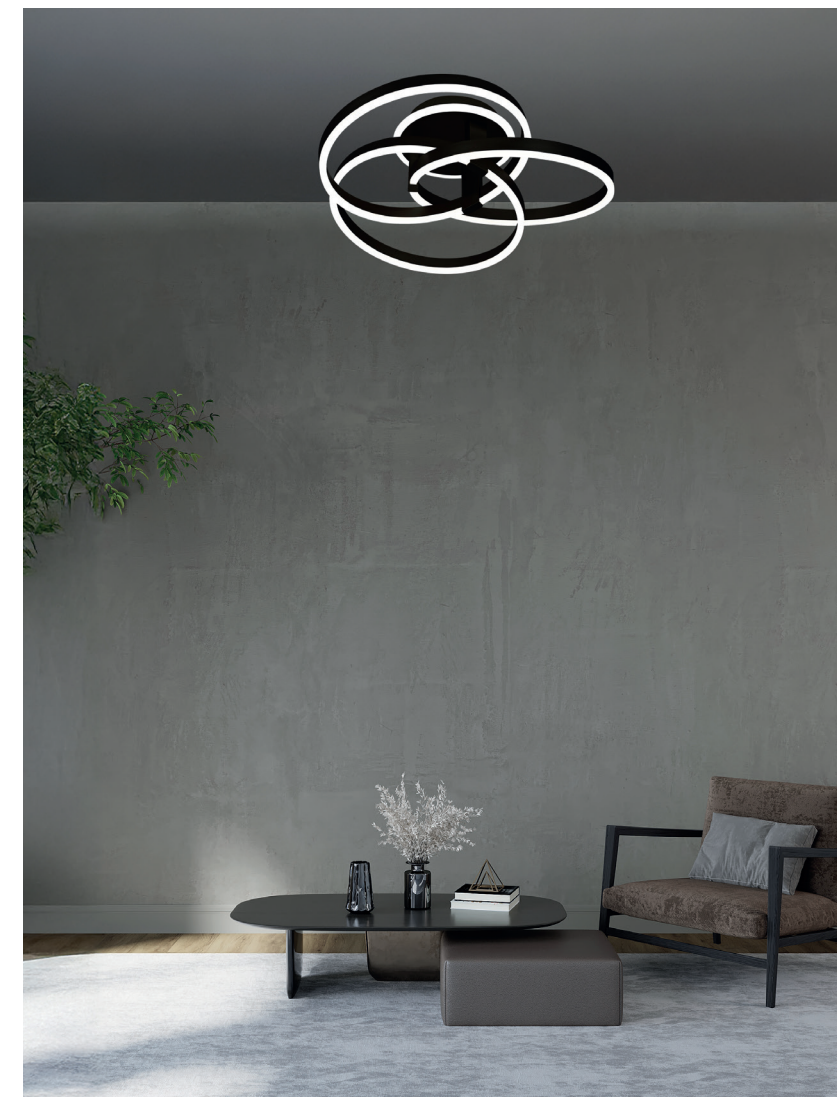

Astara stropna LED svjetiljka donosi suptilan spoj dizajna i svjetlosti. U crnoj ili brušeno zlatnoj varijanti, njezina skladna forma naglašava prostor profinjenim sjajem. Svjetlost se raspoređuje ravnomjerno, ističući detalje interijera i pridajući prostoru osjećaj topline i elegancije. Mogućnost prilagodbe temperature svjetla omogućuje mijenjanje atmosfere, od toplih, opuštajućih tonova do svježijih nijansi.

Astara ceiling LED light blends design and illumination with effortless sophistication. Available in black or brushed gold, its refined form enhances the space with a gentle radiance. The light is evenly distributed, highlighting interior details and adding a sense of warmth and elegance. The adjustable light temperature allows the ambiance to shift, from warm, relaxing hues to cooler tones.

AURELIA

Aurelia viseća svjetiljka donosi skladan ritam svjetlosnih prstenova. Dva osvijetljena prstena promjera 40 i 60 cm definiraju prostor svojom prisutnošću, stvarajući dojmljivu, ali laganu kompoziciju. Mogućnost prilagodbe temperature svjetla omogućuje odabir toplih tonova za ugodnu atmosferu ili hladnijih nijansi za svjež dojam, prilagođavajući rasvjetu trenutku i prostoru.

Aurelia pendant light creates a harmonious rhythm of luminous rings. Two glowing rings, measuring 40 and 60 cm, suspend effortlessly in the space, forming an eye-catching yet airy composition. The adjustable light temperature allows for a shift between warm hues for a cozy ambiance or cooler shades for a crisp, refined look, adapting the illumination to any setting.

VIORA

Viora stropna plafonjera naglašava prostor difuznim svjetlom i suptilnim odsjajima. Njezina teksturirana površina raspršuje svjetlost, unoseći osjećaj prozračnosti i mekoće u interijer. Zahvaljujući prilagodljivoj temperaturi svjetla, svaki prostor može dobiti drugačiji ugođaj – od toplih, opuštajućih tonova do svjetlijih nijansi koje unose dojam svježine.

Viora ceiling light brings soft, diffused illumination and subtle reflections to the space. Its textured surface gently disperses light, adding a sense of lightness and depth to the interior. With adjustable color temperature, the lighting adapts effortlessly - from warm, calming tones to crisp, refreshing shades.

ASTRIS

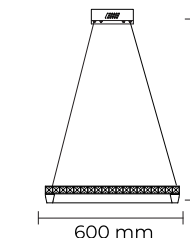

Astris viseća svjetiljka odiše suvremenom elegancijom. Dostupna s jednim ili dva osvijetljena prstena u krom izvedbi, reflektira i raspršuje svjetlost na način koji prostoru dodaje dojam prostranosti i sjaja. Mogućnost prilagodbe temperature svjetla omogućuje prelazak s toplih na hladnije tonove, prilagođavajući rasvjetu atmosferi i trenutku.

Astris pendant light exudes contemporary elegance. Available with one or two illuminated rings in a chrome finish, it reflects and disperses light, enhancing the sense of space and radiance. The adjustable light temperature allows for a seamless transition between warm and cool tones, adapting effortlessly to any setting.

VEREN

Veren viseća svjetiljka donosi skladnu kompoziciju s dva prstena, jedan promjera 50 cm, a drugi 80 cm, koji stvaraju dojam ravnoteže i elegancije. Alternativno, tu je i varijanta s jednim izduženim elementom dužine 115 cm. Ova svjetiljka, s kromiranom završnom obradom, emitira svjetlost koja unosi dinamiku i sofisticiranost u prostor, a prilagodba temperature svjetla omogućuje mijenjanje atmosfere od toplih tonova do svježijih nijansi.

Veren pendant light features a harmonious composition with two rings, one 50 cm and the other 80 cm in diameter, creating a sense of balance and elegance. Alternatively, there's a version with a single elongated element measuring 115 cm. Finished in chrome, this light source casts a dynamic and sophisticated glow, while the adjustable color temperature allows for shifting the ambiance from warm hues to cooler tones.
